#_____ Name_____ Date_____

Ancient Egypt Day 2022 Requirements

Research the Ancient Egypt topic selected/assigned. Use information from at least two sources. Use proper note-taking skills to gather accurate information. Create a 20-minute presentation teaching the assigned topic. In the presentation clearly identify the main points being taught. Students must use a slideshow, posters, or visuals to bring the presentation to life. Create a team test to be given to the class. During the presentation, 2-3 questions must be asked and answered that viewers (classmates) will write down in their social studies notes.

DUE: Friday, December 2
