## 4-H Club in Mr. P's Class...

4-H is the youth service club provided through the UT-TSU Extension. 4-H provides research-based educational experiences to gain knowledge, develop life skills, and form positive attitudes to prepare them to become capable, responsible, and compassionate adults. 4H will meet monthly. Within this 4-H club, we will elect officers, use parliamentary procedure, and prepare students for our three main competitions: public speaking, a poster contest, and an interactive exhibit contest. For each competition, students will be awarded for their efforts and have the potential to qualify for the county and sub-regional levels. Along with these competitions, educational content that aligns with Tennessee State Standards will be covered. Topics such as communication, teamwork, citizenship, nutrition, STEM, self-esteem, and leadership are just a few topics that may be discussed. If you would like to learn more about what is going on in Davidson County 4-H, follow them on Instagram, Twitter, or Facebook @4hnashville. The 4H motto is "learn by doing!"

## Tech Help ...

MNPS virtual help centers will remain open through Friday, Oct. 2. Families may visit Glenview Elementary, Mt. View Elementary, Robert Churchwell Elementary, Tusculum Elementary, Jere Baxter Middle or Donelson Middle School Mondays through Fridays from 9 a.m. until 3 p.m. for support with student's learning devices.

## HW Checklist...

Stay on top of each day's assignment list by visiting the HW page. [www.flyparsons.info](http://www.flyparsons.info)

## Office Hours...

Students with questions and any needs for help should take advantage of office hours each day. Office hours are 12-1pm Mondays, Tuesdays, Thursdays and 11am on Wednesdays.

## City Saver...

Meigs Magnet is once again offering the popular Nashville City Saver coupon book to our families and friends. City Saver books are \$25.

- Go to [citysaver.com/](http://citysaver.com/), click "**see our books**" and choose the Nashville edition (you can also purchase Memphis, Clarksville and Cincinnati, if you choose). There is also the availability to "flip through" all of the books to see the coupons.
- Click "**add to cart**" then click "**proceed to checkout**"
- Fill in your credit card information. Shipping is \$5 and there *will be a 5% credit card/convenience fee added to each order.*
- Make sure to fill in the "**school and student to be credited**" in the blue box so that you receive prize credit and Meigs earns profit. Allow 5-7 business days for delivery.

## Tuesday Report Sheet...

Each Tuesday, students receive a newsletter, "Mr. P's Note Home," along with a "Tuesday Report Sheet." This sheet serves as a weekly communication between school and home. On Tuesday evenings, parents and students are asked to check grades (Infinite Campus) and LiveSchool for effort. The back of the sheet has a form that may be used to organize student academic needs such as taking care of missing assignments or late work, making corrections to not yet mastered skills, or scheduling retake/re-do needs. Students

should return the signed Tuesday sheet on Wednesday morning.

1. **LIVESCHOOL:** Our total class points (as of September 29) are **9,726!** Awesome!
2. **CLASS TWEETS:** Text **on @MeigsMagnet** to 404-04. This will allow all subscribers to follow our class on Twitter without necessarily being a Twitter user.
3. **MISSING WORK:** This is the last call for any missing assignments to be submitted and graded for credit. Procedures are clearly established now. After this, late work will be completed for learning purposes but will not necessarily be given full credit.
4. **TECH TASKS:** Students must complete each day's Tech Task (Google Form) as homework if it is not done in class that day. Students must submit the Tech Task by 8:00AM the following school day. After that time, the Tech Task is late and will have to be completed as a written assignment on notebook paper. It is very wise to save the responses on e-mail, in a Google Doc, or take a screenshot of the Tech Task.
5. **HOMEWORK GRADES:** Any homework not completed and submitted on time will be given a ZERO. ZEROS in Infinite Campus (marked as homework) may not be made up for credit. It is important that all HW be completed. Late HW may still be completed, but without a grade.
